

DAWSON CITY, YUKON PLANNING & DEVELOPMENT MANAGER Permanent, Full-Time

Dawson City, Yukon, population: 2300, is the home of the Klondike Gold Rush and the heart of Tr'ondëk Hwëch'in Traditional Territory; we're proud of our mining heritage and First Nations roots that run millennia deep. We're a thriving cultural community—with a post-secondary arts school, several world-renowned festivals, and burgeoning TV and film industry—that borders an outdoor playground sprawling hundreds of kilometres in either direction. We're a living historic community, with many landscape features and buildings that support our national historic site designation.

Mining, tourism, culture, and our people are the foundation on which our town stands, and we respect personal freedoms and diversity of all definitions. We're a welcoming town and a great place to make a life and raise a family. Our community has a hospital and programming and activities that promote healthy lifestyles. We have a recreation centre, curling club, swimming pool, fitness centre, nine-hole golf course, off-leash dog park, and a ski hill. We enjoy an abundance of green spaces, including hiking, biking, and cross-country-ski trails. We also have a K–12 school, Yukon University campus, healthy business community, and numerous groups and organizations in which to get involved.

Under the direction and guidance of the Chief Administrative Officer (CAO), this non-union position is responsible for leadership, delivery, operation and administration of community development and planning, economic development, and land administration functions. This position provides supervision, leadership, management and mentoring of all staff within the Planning & Development department.

If this position interests you, please submit your resume and cover letter clearly demonstrating the qualifications outlined below, as selection for further consideration will be based solely on the information you provide.

- Masters' degree in Planning.
- Minimum of 5 year's experience in a land use planning and development control environment, preference to those with municipal experience.
- Minimum of 3 year's experience in a senior supervisory or management capacity.
- Experience managing, building, leading and motivating a team in a unionized environment.
- Excellent interpersonal skills to provide effective team leadership, technical advice and to establish and maintain successful working relationships with staff, Council, the public, and other agencies
- Excellent communication, organizational, time management, and prioritization skills.
- Ability to direct, develop, interpret, implement and evaluate programs, bylaws, policies and procedures.
- Ability to understand, interpret, and apply technical information and legislation.
- Ability to work independently, work well under pressure, and to exercise sound judgement to meet deadlines.
- Effective negotiation, conflict management, mediation and problem-solving skills.
- Excellent management track record with specific accomplishments in procurement, directing budgets and strategic planning and to provide effective recommendations as a member of the management team.
- Discretion, tact, compassion good judgement and cultural competency.
- Membership or eligibility for membership in the Canadian Institute of Planners and PIBC.

Applicants able to demonstrate an equivalent combination of education and experience may be considered.
A job description is available upon request.
