AGENDA ITEM:	Establish 2021 Regular Meeting Dates of Council and Committee of the Whole						
PREPARED BY:	C Bellmore	ATTACHMENTS:     Oraft 2021 Calendar					
DATE:	November 27, 2020						
	WS / POLICY / LEGISLATION: Ikon Municipal Act						

#### RECOMMENDATION

That Council establish 2021 regular Council and Committee of the Whole meeting dates as per the 2021 regular Council and COW Meeting calendar presented.

#### **ISSUE / PURPOSE**

To establish regular meeting dates for Council and COW meetings for 2021.

#### **BACKGOUND SUMMARY**

As per Section 206 of the *Municipal Act*, "...Council shall have regularly scheduled public meetings as it may determine."

Following are the number of Council and Committee of the Whole Meetings for the past 3 years and proposed for 2021

Proposed: 2021 Council 13 COW 14 as well as 11 optional days if required. Total (38)

Note: 2021 is an election year, the Month of October loses 2 weeks for meetings.

2020 COW 18 Council 21 (Jan – Nov) Expected total for 2020 (41)

2019 COW 30 Council 25 Total (55) - This was an aggressive schedule that was reduced in 2020

2018 COW 31 Council 35 Total (66) - 2018 had numerous lunch our special Council and COW meetings

#### **ANALYSIS / DISCUSSION**

There were many special meetings in 2018, in order to reduce this and make meetings of council more regular the 2019 calendar was produced. This calendar proved to be quite aggressive and difficult for administration to ensure information was prepared timely. In 2020 the calendar was produced with set Council and COW days with optional Wednesdays if required for special-budget or presentation meetings. This calendar was much more attainable and produced a much more attainable schedule for both Council and administration (less the COVID discussions). The proposed 2021 calendar is similar to 2020.

Council Decision For Council Direction

For Council Information

In Camera

SUBJECT:	Lots 14 & 15, Block 14, Government Reserve Addition -Consolidation (#20-098)		
PREPARED BY:	Charlotte Luscombe, Planning Assistant	ATTACHMENTS: 1. Application & Supporting Documentation	
DATE:	November 27, 2020		
RELEVANT BYLA Municipal Act Subdivision Bylaw Official Communit Zoning Bylaw Heritage Bylaw			

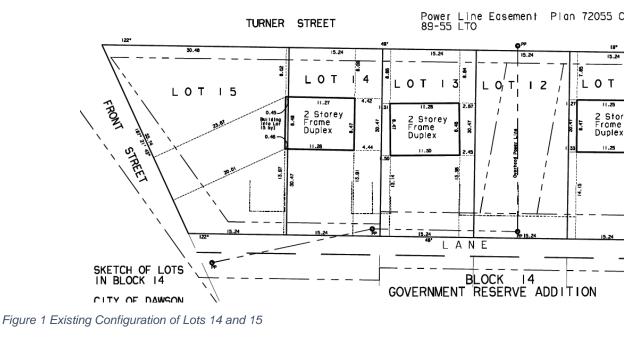

#### RECOMMENDATION

It is respectfully recommended that Council grant subdivision authority to adjust the boundary between Lots 14 and 15, Block 14, Government Reserve Addition as per Subdivision Application #20-098, subject to the following conditions:

- 1.1. The applicant submits a plan of subdivision completed by a certified lands surveyor drawn in conformity with the approval.
- 1.2. The applicant shall, on approval of the subdivision plan by the City of Dawson, take all necessary steps to enable the registrar under the Land Titles Act to register the plan of subdivision.

#### ISSUE

The applicant is requesting to adjust the boundary of these two lots into one lot because the duplex on Lot 14 is currently encroaching onto Lot 15. The adjustment will bring both properties into compliance with the City of Dawson Zoning Bylaw 2018-19 and will allow Lot 15 to be redeveloped, as it is currently vacant. The new area for Lot 14 will be 548m<sup>2</sup> and for Lot 15 685m<sup>2</sup>; both are compliant with the Zoning Bylaw. The application was received in full on September 28, 2020, and as required by the Municipal Act, a decision must be made by December 27, 2020. The public hearing successfully passed on November 18, 2020. Figure 1 and Figure 2 show the existing and proposed lot configurations.

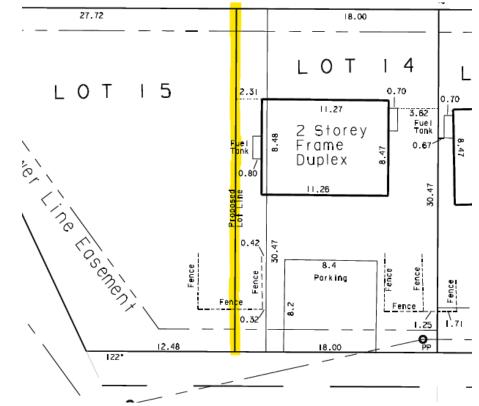

Figure 2 Proposed Configuration for Lots 14 and 15

#### ANALYSIS / DISCUSSION / ALIGNMENT TO OCP & STRATEGIC PRIORITIES

#### Comments

Department heads have been asked to comment on this application for the purposes of assessing operational requirements such as access, lot grading, and slope stability. Public Works are satisfied with the proposed stormwater management and with the application overall. Protective Services and Recreation had no comments or concerns.

The application was also circulated to every property owner within a 100m radius of this property, inviting comments and questions. No comments in opposition to this application were received at the time of writing this report. The public hearing successfully passed on 18 November 2020 at the Committee of the Whole.

#### Subdivision Bylaw

Subdivision Control Bylaw s. 3.01 states that every subdivision of land must be made in accordance with the Municipal Act, the Official Community Plan, the Zoning Bylaw, and the Subdivision Control Bylaw. The Analysis/Discussion section of this report is intended to discuss the proposal's conformity with the provisions outlined in the relevant legislation, policies, and plans.

#### **Municipal Act**

The Municipal Act s. 314 details the requirements for any proposed plan of subdivision to have direct access to the highway to the satisfaction of the approving authority. The applicant's proposal shows existing driveway access for Lot 14 via the rear lane and will not require any new access. Access points are circled in red on **Error! Reference source not found.**. The development of Lot 15 has not been finalized but like the other lots in Block 14, access will be required via the rear lane (ZBL 9.4.3) and will need to be designed to the satisfaction of the City (ZBL S5.2.1). Current access is shown in **Error! Reference source not found.**.

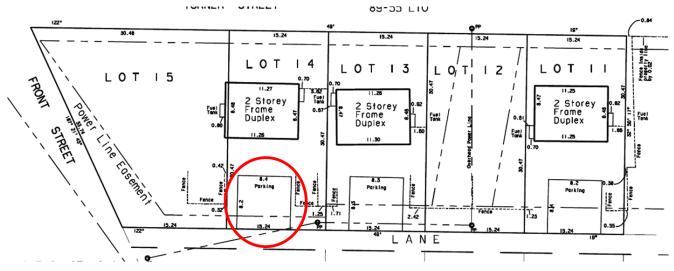

Figure 3 Current access via rear laneway

#### **Official Community Plan**

The land use designation for the subject property is Downtown Core, which is intended to support a broad range of uses, including low- density residential. S. 6.2 states that "while the area will predominately consist of commercial and institutional uses, high- and low- density residential uses are also acceptable". The current use and structure is not contradictory to the OCP. Any new use or development on the proposed lot configuration would be required to conform to the OCP designation.

#### Zoning Bylaw

The lots under consideration are zoned as R1: Single Detached and Duplex Residential in the 2018 ZBL. The boundary adjustment will remove the current encroachment of the Lot 14 duplex and will allow new residential development on Lot 15 as both lots will be in compliance.

#### Heritage Bylaw

The property is located in the Downtown Transitional Character Area, which is comprised of a mix of institutional, commercial, and residential buildings. No new development is currently being proposed as part of this application but when Lot 15 is developed, all proposals will be subject to Heritage Advisory Committee review.

#### OPTIONS

1. Council grant subdivision authority for the Boundary Adjustment of Lots 14 & 15, Block 14, Government Reserve Addition subject to the following conditions:

1.1. The applicant submits a plan of subdivision completed by a certified lands surveyor drawn in conformity with the approval.

1.2. The applicant shall, on approval of the subdivision plan by the City of Dawson, take all necessary steps to enable the registrar under the Land Titles Act to register the plan of subdivision.

2. Council does not grant subdivision authority for the Boundary Adjustment of Lots 14 & 15, Block 14, Government Reserve Addition.

AGENDA ITEM:	Dawson City Farmers Market Lease	
PREPARED BY:	C Bellmore	ATTACHMENTS: Draft Lease Agreement – Dawson City
DATE:	October 21, 2020	Farmers Market
RELEVANT BYLAWS / POLICY / LEGISLATION: Bylaw #10-10 Lease & Rental Bylaw Property Lease Policy 2017-15		

### RECOMMENDATION

That Council authorize administration to enter into a 5-year lease agreement with Dawson City Farmer's Market Society with the term ending December 31, 2025.

### **ISSUE / PURPOSE**

Bylaw #10-10 "Lease and Rental Bylaw" requires a resolution of Council to lease or rent property from another party. Upon passing of a resolution the authority is delegated to the CAO.

### **BACKGOUND SUMMARY**

The Dawson City Farmer's Market Society lease for this location expires December 31, 2020 and they would like to renew the lease on the same terms as the previous lease.

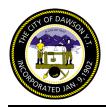

### ANALYSIS / DISCUSSION

Section 4.1 (c) of Property Lease Policy 17-05 gives the current occupant the right of first refusal to renew their lease if they meet all the guidelines

Section 4.1 (b) requires approval of Council to make a City of Dawson property available for sale or lease

Administration does not foresee the need for this space in the next 5 years to meet operational objectives and recommends the renewal on the same terms as previous.

And City of Dawson Box 308 Dawson City, Yukon Y0B 1G0

(Hereinafter known as the "City", of the Second Part)

#### LEASE AGREEMENT REGARDING THE OPERATION AND ALLOCATION OF VENDOR STALLS ON FRONT STREET, ADJACENT TO CLSR 8338A, DAWSON CITY, IN Quad 116B/03, AS IDENTIFIED IN SCHEDULE "A" OF THIS AGREEMENT

This Lease Agreement between the **City** and **DCFMS** recognizes the benefit and value of a vibrant market.

WHEREAS the City supports and encourages local food production, and

WHEREAS DCFMS will coordinate the operation and allocation of vendor stalls, and

WHEREAS council passed resolution # \_\_\_\_\_ at their meeting on December \_\_\_\_\_, approving this lease, now

Therefore, the parties to this Agreement agree to the terms and conditions set out hereunder.

Both agencies agree to work cooperatively to coordinate the maintenance and use of the Farmer's Market.

### 1.00 TERM OF THE AGREEMENT

- 1.01 The term of this Agreement shall be for a term of five (5) years, commencing on **January 1, 2021** and expires **December 31, 2025**.
- 1.03 This agreement may be terminated by either party giving the other party written notice at least two months in advance of the date of termination.
- 1.04 This Agreement allows DCFMS to operate a "Farmers Market" each Saturday from May to October (20 weeks) between the hours of 9:00 am to 8:00 pm.

#### 2.00 PREMISES

2.01 The City agrees to lease to DCFMS the portion of land known as the Farmer's Market, on Front Street on Front Street, adjacent to CLSR 8338A, Quad 116B/03, within the City of Dawson.

#### 3.00 REMUNERATION

2.02 Upon signing of this agreement, DCFMS agrees to pay the City one thousand dollars (\$1000.00) per year, for the term of this agreement.

#### 4.00 DCFMS OBLIGATIONS

- 4.01 DCFMS shall ensure all vendors hold a current and approved business license in accordance with the Business License Bylaw or any successor legislation.
- 4.02 DCFMS shall establish a Vendor Policy and/or operate the "Farmer's Market" in accordance with the City of Dawson Farmer's Market policy.
- 4.03 DCFMS, at the cost and expense of DCFMS, shall, at all times, maintain the said land in a neat and tidy condition and ensure all vendor stalls and displays are removed from the site by market end each Saturday, including packaging.
- 4.04 DCFMS accepts the said land in an "as is" condition and may, with prior written consent of the City, which consent will not be unreasonably withheld, make improvements to the said land and building to make them suitable for DCFMS's purposes. Any such improvements made by DCFMS at any time during the term of this agreement shall be at the risk, cost and expense of DCFMS.
- 4.05 DCFMS shall maintain at all times during the term of this agreement public liability and property damage insurance of at least two million dollars (\$2,000,000.00) against claims for personal injury, death or damage to property arising out of the operation of the DCFMS under this agreement, or of any of the acts or omissions of the DCFMS or any of its agents, employees or servants.
- 4.06 DCFMS, annually, shall provide proof that insurance is in place pursuant to this Agreement.

### 5.00 CITY OBLIGATIONS

- 5.01 The City shall ensure that legislative authority is provided for the property to be utilized as a vendor stall location for the duration of this agreement, and
- 5.02 The City shall maintain the area commonly referred to as the "Farmer's Market" by;
  - a. Cutting grass as required
  - b. Monitor and clean area as required
  - c. Ensure that adequate waste receptacles are installed and emptied as needed for public use.

#### 6.00 LIABILITY

6.01 DCFMS shall not have any claim or demand against the City or any of its officers, servants or agents for detriment, damage, accident or injury, of any nature whatsoever or howsoever caused to the said land or to any person or property, including any structures, erections, equipment, materials, supplies, motor or other vehicles, fixtures and articles, effects and things on or about the said land unless such damage or injury is due to the negligence of any officer, servant or agent of the City while acting within the scope of his duties or employment.

6.02 DCFMS at all times shall indemnify and save harmless the City or any of its officers, servants or agents from and against all claims and demands, loss, costs, damages, actions, suits or other proceedings by whomsoever made, brought or prosecuted, in any manner based upon, occasioned by or attributable to the execution of this agreement, or any action taken or things done or maintained by virtue hereof, or the exercise in any manner of rights arising hereunder, except claims for damage resulting from the negligence of any officer, servant or agent of the City while acting within the scope of his duties or employment.

#### 7.00 CONDITIONS ON EXPIRY OF AGREEMENT

7.01 Any structures including repairs, alterations, or improvements made to them remaining on the said lands at the expiry of this agreement (except and subject as this agreement may otherwise specifically provide for) shall be vested in title in the City without any payment of compensation to DCFMS by the City. Nevertheless, the City shall have the option of requiring or compelling DCFMS upon written notice to remove such structures, and DCFMS shall be so bound to remove said structures and to restore the said land and premises to a neat and tidy condition, all at the cost of DCFMS and without any right on the part of DCFMS to seek compensation from the City for any reason whatsoever.

#### 8.00 ASSIGNMENT OF AGREEMENT

8.01 DCFMS shall not make any assignment of this Agreement, nor transfer or sublease of the whole or any portion of the said land demised or leased hereunder, without obtaining the prior consent in writing of the City to such assignment, transfer or sub-lease, which consent will not be unreasonably withheld.

#### 9.00 INDEPENDANT CONTRACTOR

9.01 It is acknowledged by the parties hereto that DCFMS will act as an independent contractor, and not as an employee of the City. DCFMS and the City acknowledge and agree that this agreement does not create a partnership of joint venture between them.

#### 10.00 GENERAL PROVISIONS

- 10.01 Time shall be of the essence of this agreement and of every part hereto and no extension or variation of the agreement shall operate as a waiver of this provision.
- 10.02 This agreement shall ensure to the benefit of and be binding upon the parties hereto, their executors, administrators, successors and authorized assigns.
- 10.03 This Agreement may be amended by the mutual written consent of the Parties hereto. To be valid, any amendment to this Agreement shall be in writing and signed by the Parties hereto within the duration of this Agreement.
- 10.04 DCFMS shall abide by all applicable lawful rules, regulations and bylaws of the Federal and Territorial governments and of the City affecting or pertaining to its operations within the City.

In Witness whereof the parties have executed this agreement by their respective proper signatures as of the day and year written below:

SUBJECT:	Recreation Grants	
PREPARED BY:	Paul Robitaille, Parks and Recreation Manager	ATTACHMENTS:
DATE:	November 22, 2020	
	AWS / POLICY / LEGISLATION: Grants Policy 2017-06	

### RECOMMENDATION

THAT Council approve the Level 2 Recreation Grants, as recommended by the Recreation Board in the amount of \$19354.42.

### BACKGROUND SUMMARY

The Recreation Board dispenses two levels of funding under the Recreation Grant Program. Level 1 is intended for individuals or small groups. Level 2 is for community groups, organizations, non-profits and leagues. \$43,051.00 is budgeted for Recreation Grants in the 2020 Budget.

The Recreation Board decided to initiate an additional intake, as the fund has been underutilized to this point this year.

If council approves the Recreation Grants as recommended by the Recreation Board in the amount of \$16,854.42, there will be \$5206.22 remaining.

### ANALYSIS / DISCUSSION

The evaluation criteria for Recreation Grants is as follows:

- Public benefit (number of participants, large target audience)
- Reduction of barriers (such as low fees, accessibility, reduce social & cultural barriers, location)
- Building capacity (leadership development, instructor training, activity promotion or infrastructure improvement)
- Application (complete, alternative funding sources, partnerships)

Based on the evaluation criteria established in the *Community Grants Policy* and the *Recreation Grants Policy* the respective committees make the following recommendations to Council for approval:

Tr'ondëk-Klondike is an exceptional place. The story of what happened here is worth sharing with the world and committing for all time to human memory.

On behalf of the residents of our community, City of Dawson Council is delighted to support the nomination of Tr'ondëk-Klondike as a UNESCO World Heritage Site. The municipality recognizes the importance of acknowledging and celebrating our history and living heritage, while allowing our cultural landscape to evolve. World Heritage Site designation will sustain our long-term goals for a healthy community and contribute to the social, cultural, and economic well-being of Dawson City and the Yukon. As well, communicating the significance of this place and the lessons it has for humanity is an obligation we take seriously.

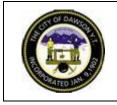

We will continue supporting the protection, preservation, and promotion of this incomparable area and its unique values through responsible management of municipal infrastructure and cultural resources. Should Tr'ondëk-Klondike be inscribed on the World Heritage List, the City of Dawson is committed to fulfilling its responsibilities on the proposed Tr'ondëk-Klondike World Heritage Site Stewardship Board.

The partnerships built between local and regional organizations in preparation of the Nomination Proposal will serve our community well in the years to come. We were brought together by our shared belief in Tr'ondëk-Klondike's Outstanding Universal Value and thankful for the efforts that articulated our shared legacy.

Sincerely,

Xa

Mayor Wayne Potoroka

SUBJECT:	Official Community Plan and Zoning Bylaw Housekeeping Amendments		
PREPARED BY:	Stephanie Pawluk, CDO	ATTACHMENTS: Draft OCP Amendment Bylaw (#2019-14)	
DATE:	December 2, 2020	Draft ZBL Amendment Bylaw (#2019-14)	
RELEVANT BYLAWS / POLICY / LEGISLATION: Municipal Act Official Community Plan Zoning Bylaw			

### RECOMMENDATION

It is respectfully recommended that Council give Third and final Reading to Official Community Plan Bylaw Amendment No. 2, Bylaw #2019-14 and Zoning Bylaw Amendment No. 5, Bylaw #2019-15.

### BACKGROUND SUMMARY

The OCP underwent a yearly review in 2019, as per S. 16.2 of the OCP. The Zoning Bylaw must be consistent with the OCP, therefore; the Zoning Bylaw was also reviewed.

OCP Bylaw Amendment No. 2 was given Second Reading February 12<sup>th</sup>, 2020 as per Council resolution C20-02-18. Approval from the Minister to proceed to Third Reading, as per s. 282 of the Municipal Act, was granted on May 7<sup>th</sup>, 2020.

Both amendment bylaws were presented at the November 4<sup>th</sup>, 2020 Committee of the Whole meeting for feedback. Administration received direction to solicit advice from the Heritage Advisory Committee and to make edits prior to Third and final Reading. The requested information and edits have been made and are provided as information in this report.

### ANALYSIS / DISCUSSION / ALIGNMENT TO OCP & STRATEGIC PRIORITIES

### Municipal Act

S. 288(2) of the *Municipal Act* states that "a council must not adopt a zoning bylaw, or an amendment to a zoning bylaw, that is not consistent with an official community plan". The proposed changes in the Zoning Bylaw Amendment will be consistent with the OCP.

### Zoning Bylaw

S. 17.1.1 of the Zoning Bylaw states that "Council may initiate any text amendment to this bylaw."

### **Council Information Requests: Zoning Bylaw Amendment**

1. S. 4.02: What is the intent of this clause? This clause is identical to the current clause with the addition of "or more than the maximum dimensions" for the purpose of enabling the conformance of large lots that were created before the approval of this bylaw. For example, the R3 zone has a maximum parcel size of 4 acres. This clause allows a 5 acre lot that was created prior to this ZBL to conform. A mistake in the prior iteration of this bylaw amendment repealed the clause, but did not add "and replace" as intended.

2. S. 4.07: Does the Heritage Advisory Committee wish to review development permits for solar panels inside the entire historic townsite? Administration consulted the HAC and received direction that the HAC does wish to review development permits for solar panels inside the historic townsite. As such, s. 4.07 has been amended to remove "Downtown Core" and replace it with "Historic Townsite" as follows:

"Insert the following clause: S. 4.2.11 "roof-mounted renewable energy devices outside of the Historic Townsite.""

3. S. 4.20: This amendment repeals two sections and condenses it into one. What does this change and accomplish?

- The sections it repeals and replaces are: s. 16.5: Report to Council and s. 16.6: Penalties.
- This amendment removes the processes of the CDO reporting a continued contravention to Council and receiving direction from Council on how to proceed with enforcement. Instead, it allows the CDO to pursue enforcement, and report to Council only in the case that an offence results in a summary conviction.

4. S. 4.20.3: Why is the following included in this clause: "any person owning or occupying real property"? This same clause is copied from the Zoning Bylaw #2018-19 (S. 16.6.3). An example of where the "occupying real property" language might apply is in the case of an offence occurring on a lot that is leased by YG to an individual or in the case of a mining claim.

### Zoning Bylaw Amendment Edits

Notable edits to the clauses include the following:

1. S. 4.05: This change occurred upon Council direction of including language about repairs and maintenance in the definition of 'structural alteration' in order to provide clarity on this topic. It is important for Administration to have this descriptive language in the definition as it will increase clarity for all, including decision makers and members of the public, in understanding exactly what constitutes a structural alteration, as well as ensure the conformity of this definition with the Municipal Act. This proposed definition aligns with the Municipal Act (S. 302(2)) and clarifies the definition in relation to repairs and maintenance.

S. 302(2) of the Municipal Act states:

"For the purpose of this section, repairs, maintenance, or installations that do not alter the size of the building or other structure or involve the rearrangement or replacement of structural supporting elements shall not be structural alterations."

The clause, as amended, now states:

Insert the following definition to s. 2.2: "STRUCTURAL ALTERATION means any change to structural supporting elements of a structure including but not limited to foundations, exterior load-bearing walls, door and window openings, roof, and access/egress components (such as decks or porches), which does not increase the exterior dimensions of height or footprint. For the purposes of this bylaw, full removal of a structure or structural component and replacing it in its entirety constitutes structural alteration. Repairs, maintenance, or installations that do not alter the size of the building or other structure or involve the rearrangement or replacement of structural supporting elements does not constitute structural alteration."

This has been changed from the last iteration of this definition, which stated:

Insert the following definition to S. 2.2: "STRUCTURAL ALTERATION means any change in the supporting members of a structure, including but not limited to foundations, exterior load-bearing walls, door and window openings, roof, and access/egress components (such as decks or porches), which does not increase the exterior dimensions of height or footprint. For the purposes of this bylaw, full removal of a structure or structural component and replacing it in its entirety constitutes structural alteration."

2. S. 4.07: Insert the following clause: S. 4.2.11 "roof-mounted renewable energy systems outside of the Historic Townsite." "Devices" was replaced with "systems" to match amendment 4.04 which defines renewable energy system.

3. S. 4.09: The language in red was changed from "valid survey instruments" for the purpose of clarity.

*"Insert the following clause: S. 4.4.1.5 (V) "the applicant is unable to prove the extent of a development using a survey conducted by a registered Canada Land Surveyor.""*

access/egress components (such as decks or porches), which does not increase the exterior dimensions of height or footprint. For the purposes of this bylaw, full removal of a structure or structural component and replacing it in its entirety constitutes structural alteration. Repairs, maintenance, or installations that do not alter the size of the building or other structure or involve the rearrangement or replacement of structural supporting elements does not constitute structural alteration."

- 4.06 Insert the following clause: S. 4.2.10 "wall tents or similar temporary structures provided the wall tent consists only of a frame and canvas walls. For the purposes of this bylaw, construction of a structure with a floor, walls, or roof requires an approved development permit."
- 4.07 Insert the following clause: S. 4.2.11 "roof-mounted renewable energy systems outside of the Historic Townsite."
- 4.08 Repeal S. 4.3.6 and replace with the following: S. 4.3.6 "an application shall not be deemed complete until all requirements above have been submitted to the satisfaction of a development officer. Partially complete applications that are inactive for a period of six months or more may be cancelled at the discretion of the development officer."
- 4.09 Insert the following clause: S. 4.4.1.5 (V) "the applicant is unable to prove the extent of a development using a survey conducted by a registered Canada Lands Surveyor."
- 4.10 Repeal S. 5.3 and re-insert the clause as S. 4.8.
- 4.11 Repeal S. 8.11(c) and replace with the following: S. 8.11(c) "a Cannabis Retail Service shall be allowed to sell non-regulated goods. A Cannabis Retail Service must comply with section. 17(1) of the Federal *Cannabis Act* when selling goods that promote cannabis."
- 4.12 Insert "personal service establishment" in S. 12.1.1 as a permitted use.
- 4.13 Repeal S. 12.2 and replace with the following: S. 12.2 "The purpose of the C2 zone is to permit a wide range of commercial uses that provide service to local industry and/or highway tourism and service needs. Small-scale residential uses in this zone are permitted, though the area remains predominately a service commercial zone."
- 4.14 Update Table 12-1 as follows: Repeal the line "minimum building height: 13.72m/45ft" and replace with "maximum building height: 13.72m/45ft".
- 4.15 Update Table 12-3 as follows: Repeal the line "minimum building height: 13.72m/45ft" and replace with "maximum building height: 13.72m/45ft".
- 4.16 Update Table 12-3 as follows: Repeal the line "minimum setback of buildings from front parcel line: 15.24m/50ft" and replace with "minimum setback of buildings from front parcel line: 6.10m/20ft".
- 4.17 Repeal S. 16.4.1 and replace with the following: S. 16.4.1 "If the corrective measures described in a notice of offence order issued pursuant to section. 16.3 are not completed

Mayor Wayne Potoroka and Council City of Dawson Box 308 Dawson City, YT Y0B 1G0

Dear Mayor Potoroka and Council:

The Yukon Heritage Resources Board (YHRB) is an independent advisory and decision-making body with mandates under the Yukon First Nation Final Agreements, the Yukon's *Historic Resources Act*, and Yukon First Nation Heritage Acts. The Board makes recommendations to the governments of Yukon, Canada, and Yukon First Nations regarding the management of a wide range of heritage resources and sites in the Yukon, and is mandated to make determinations related to ownership of certain heritage resources.

I am pleased to send you a copy of the 2019-2020 Annual Report for the YHRB. If you have any questions about the Board's annual report or its activities, please do not hesitate to contact our Executive Director at the address listed below.

Thank you very much for your interest in the Yukon Heritage Resources Board and best wishes for the coming year.

Sincerely,

Anne Lectie

Anne Leckie, Chair Yukon Heritage Resources Board

Enclosure

### Yukon Heritage Resources Board

Annual Report April 1, 2019 – March 31, 2020

### Mandate

Mandates for the Board are set out in the Yukon First Nation Final Agreements, the Yukon's *Historic Resources Act*, and various sections of Yukon First Nation Heritage Acts. Under these pieces of legislation, the mandate of the Yukon Heritage Resources Board is to provide advice on heritage-related issues and make recommendations to Governments regarding management of heritage resources and heritage sites, and to make determinations regarding ownership of heritage resources referred to the Board under sections 13.3.2.1 or 13.3.6 of the Final Agreements.

### **Guiding Principle**

We are committed to providing FAIR, RESPECTFUL, and BALANCED advice, recommendations, and decisions, based on the spirit and intent of the Board's legislated mandates and of the Principles of Reconciliation, as set out by the Truth and Reconciliation Commission of Canada.

#### Annual Report 2019-2020

### Message from the Chair

Passion for our shared history is something all Yukoners have in common. We explore abandoned places such as the one pictured here at 17 mile on the Stewart River. We pass down stories and traditions and seek to understand how our collective heritage has shaped our modern Yukon and informs our future.

Our leaders of the past included in the Final Agreements and the other corresponding legislation the means to bring passionate Yukoners together to reflect, provide advice to governments, and make decisions on a variety of issues. The YHRB serves this function for Heritage.

We continue to have an amazing group of Yukoners willing to give of their time and their experiences to serve on the Board. In 2019-20, we saw the retirement of some and the arrival of new faces. A particular shout-out and heartfelt thank you to Sharon A. Peter, Fran Asp, Roger Ellis and Ron Chambers for their years of service to the Board and the unstinting sharing of their knowledge and perspectives. They helped shape who we have become as a Board.

We are pleased to welcome Elaine Shorty as Vice Chair and Zena MacLean, who bring with them a wealth of knowledge to complement our existing team and expand our horizons once again. And, as always, a thank you to our Executive Director, Morgen Smith for her unfailing support of the Board and our mandate. Jecke

Respectfully submitted. Anne Leckie, Chair

### Who We Are

#### Mandate

The duties and responsibilities of the Yukon Heritage Resources Board (YHRB) are outlined primarily in Chapters 13 and 10 of the Yukon First Nation Final Agreements, in Part 1 of the Yukon's *Historic Resources Act*, and in various sections of Yukon First Nation Heritage Acts. According to its mandates,

Board members attend a meeting. Photo: YHRB

the Board may make recommendations to the Ministers responsible for heritage and to Yukon First Nations regarding the management of a wide range of heritage resources and heritage sites in the Yukon. The YHRB may also be asked to make determinations related to ownership of some heritage resources, pursuant to Sections 13.3.2.1 and 13.3.6 of the Final Agreements.

Under the *Historic Resources Act*, the Board is to perform functions that the Final Agreements assign to YHRB and to advise the Yukon's Minister with regard to a variety of issues, including the following: designation of historic sites; appropriate policies and guidelines for the designation and management of historic

sites; appropriate policies, guidelines, and standards for the care and custody of historic objects; making regulations under the Act; use of the Yukon Historic Resources Fund; and any other matter related to historic resources in the Yukon.

### **Board Composition**

The Board comprises ten members who operate in the public interest on issues related to Yukon heritage. The Council of Yukon First Nations nominates five appointees and the Government of Yukon nominates five, with the concurrence of the Government of Canada for one of these selections. All appointments are made by the Yukon Minister of Tourism and Culture for three-year terms. Appointees represent a wealth of knowledge and experience, as well as a shared passion for Yukon's heritage and culture.

Member Red Grossinger served on the Board throughout the year. Members John Firth, Anne Leckie, Nancy Pope, Annette Sinclair, and Testloa Smith were all reappointed in the summer of 2019, when they were joined by new members Elaine Shorty and Zena McLean. Members Anne Leckie and Elaine Shorty were chosen by the Board to the positions of Chair and Vice-Chair, respectively. Outgoing members during the fiscal year included Fran Asp, Ron Chambers, Roger Ellis, and Sharon Peter, to whom the Board is very grateful for their service and dedication over the years.

# **Board Activities**

The mandate of the YHRB is to make recommendations to the governments of Yukon, Canada, and Yukon First Nations on issues related to the Yukon's heritage resources and sites, and to make determinations regarding ownership of heritage resources referred to the Board under Sections 13.3.2.1 and/or 13.3.6 of the Final Agreements. The Board works with governments, organizations, and individuals across the territory and nationally to fulfil its mandate. Board members are involved in a variety of activities, training, and ongoing education that enable them to continue providing informed and relevant recommendations to all Parties to the Yukon First Nation Final Agreements, and to be prepared in the event they are called upon to make determinations related to heritage resource ownership.

During the 2019–20 fiscal year, the Board made recommendations and provided input to governments on a variety of issues, including designation of Yukon Historic Sites; updating policies and strategy related to museums and cultural centres in the Yukon; regulations impacting heritage resources and sites; historic site management; and distribution of funding through and changes to the Yukon Historic Resources Fund program.

The Board worked to increase its profile and that of Yukon heritage through participation in and support for heritage community activities and issues. Board members participated in a wide range of training, conferences, and heritage community events and presentations to further their understanding of the board's mandate and of heritage issues in and impacting the Yukon.

In 2019–20, YHRB held four regular Board meetings in Whitehorse, as well as committee meetings to address a variety of issues. The YHRB continued implementation of its current strategic plan and related activities throughout the year.

## Recommendations to and Engagement with the Final Agreement Parties

Upon request and at the Board's discretion, the Board provides input, information, and recommendations to all Parties under the Yukon First Nation Final Agreements, and to Government of Yukon under its mandates in the Yukon's *Historic Resources Act*.

The YHRB submits input and recommendations on the activities of Government of Yukon's Cultural Services Branch. The Director of Cultural Services with Government of Yukon's Department of Tourism and Culture acts as liaison to the YHRB and attends Board meetings on a regular basis, providing updates on the activities and programs of the Cultural Services Branch, development of regulations, intergovernmental projects and discussions, and implementation of the Final Agreements. The Yukon's Minister of Tourism and Culture is invited to attend Board meetings to share information about the Board's mandate, activities, and concerns, as well as discuss a variety of Yukon heritage issues.

In 2019–20, the Board reviewed and made recommendations on designation of a Yukon Historic Site and continued to receive updates and information on management planning processes for the Conrad and Fort Selkirk Historic Sites. The Board attended the annual roundtable for museums and cultural centres hosted by Government of Yukon's Museum Unit,

and continued to participate in and provide recommendations regarding the updating of the Yukon's Museums Strategy and Policy. The Board received updates on and provided input related to development of Off-Road Vehicle regulations for the territory.

The YHRB participated in observer capacity in meetings of the intergovernmental Heritage Working Group and provided information and presentations to the group on request.

At the request of Parks Canada, the Board reviewed initial documents related to the S.S. Klondike National Historic Site management planning process and provided formal input. The Board also participated as a member of Parks Canada's Klondike National Historic Sites Advisory Committee throughout the year.

Representatives of the Board attended and hosted an exhibitor table at the Council of Yukon First Nations' General Assembly, which provided opportunities to share information about the Board's mandate, activities, and membership with governments.

The Board reviewed the Yukon Environmental and Socio-economic Assessment Board (YESAB) recommendations to government on closure and reclamation planning for the Keno Hill mining district, which included input provided by the YHRB and others on recommended heritage management planning

and activities. The Board also initiated development of its formal input on scope and content of the Yukon Mineral Development Strategy.

Throughout the fiscal year, the YHRB continued communications and sought meetings with the Parties to encourage further clarity on its decision-making mandates, as set out in Sections 13.3.2.1 and 13.3.6 of the Final Agreements, and access to related funding, as well as its mandate under different pieces of legislation.

## **Board Member Training**

The YHRB continued to focus on training in the four priority areas identified in the Umbrella Final Agreement Implementation Plan, which are board procedures and functions, YHRB mandate, provisions of the Umbrella Final Agreement, and cross-cultural

orientation and education. New and returning Board members participated in orientation sessions to familiarize themselves with mandate and operational matters of the Board. Members also attended a variety of training opportunities, conferences, community events, and presentations aimed at broadening their knowledge and competencies and keeping current with heritage community developments.

In 2019–20, the Board focused its training specifically on being better prepared to carry out its mandates under various pieces of legislation. Training included general-audience courses in administrative justice and understanding legislation, as well as training specific to the Board's responsibilities and procedures related to its decision-making function under Sections 13.3.2.1 and 13.3.6 of the Final Agreements. The Board also coordinated and delivered specialized training for members in heritage management planning.

Board members and staff continued to work together to identify and coordinate additional training related to YHRB's mandate. The YHRB also initiated renewed discussions with the Training Policy Committee around improving access to required and relevant training for UFA Boards, Committees,

and Councils.

Board members participated in symposia related to archives and records management and residential school commemoration. As part of training related to the Board's mandate, YHRB members also participated in and shared updates on a wide range of heritage-related events over the course of the year.

## Engagement in the Heritage Community and Public Activities

The Board continued its efforts to increase public awareness about Yukon heritage issues and the profile of heritage in the territory through outreach, partnering, and participation

in numerous heritage community and public activities. Public events, conferences, and symposia provided numerous opportunities to share more information about the Board's mandate, activities, and membership, and to discuss issues and concerns with the public and governments.

The YHRB distributed informational and promotional materials, updated its website, and shared its annual report widely. The Board co-hosted a Canada's Historic Places Day celebration at Robinson Roadhouse with Government of Yukon's Historic Sites Unit. The Board also hosted a table at the 2019 Dawson City International Gold Show, which provided an opportunity for outreach to and networking with representatives of the heritage community, industry, public, and other UFA Boards and Committees.

The YHRB participated in the exceptional Yukon/Stikine Heritage Fair, working with the organizing committee throughout the year, sponsoring participant gifts, and assisting with judging and events on the day of the fair. The Board continues to be impressed by the creativity and passion of participants, as well as the support of their communities.

In July of 2019, Board members participated the Haa Kusteevi Celebration at Carcross, an Inland Tlingit

celebration hosted by Carcross/Tagish First Nation, Teslin Tlingit Council, and Taku River Tlingit First Nation. Highlights of the multi-day gathering included cultural performances, interactive classes and demonstrations, canoe events, and feasts.

Board members participated in the 2019 Our Trails Bring Us Together/Haa deiví wóoshxh haa ła.ât/łầch'i tän kwäga dūjal du conference, co-presented by the Yukon Historical & Museums Association, Jilkaat Kwaan Heritage Center, Champagne and Aishihik First Nations/Da Ky Cultural Centre, and Kwanlin Dün Cultural Centre, and in the International Council on Monuments and Sites (ICOMOS) Canada national conference held in the Yukon.

The YHRB tracks regional and national heritage issues through its membership in Yukon Historical and Museums Association and the Yukon Council of Archives, as well as updates from individuals and organizations involved in various aspects of Yukon heritage. This year, the Board met with the Yukon's

newly appointed representative to the Historic Sites and Monuments Board of Canada to learn more about its mandate and current activities. The Board continues to follow national heritage news through its membership with the National Trust for Canada and the Canadian Museums Association, as well as participation in the annual National Trust's conference.

## Yukon Historic and Heritage Sites

The Yukon's Historic Resources Act and the Yukon First Nation Final Agreements provide for the recognition and protection of Yukon's historic and heritage sites. The Act defines an historic site as "a location at which is found a work or assembly of works of human endeavour or of nature that is of value for its archaeological,

palaeontological, prehistoric, historic, scientific or aesthetic features." Designation as Historic Sites under the Act is meant for sites that are important to the history of the Yukon as a whole.

Nominations for Historic Site designation are received by the Department of Tourism and Culture on behalf of the Minister responsible for Heritage, reviewed by the Historic Sites Unit, and submitted to the YHRB for review, evaluation, and recommendation to the Minister. The Board evaluates a site using criteria specific to the category of the nominated site, including built, archaeological, palaeontological, and landscape sites. When recommending a site for designation, the Board also makes recommendations

on future management of the site.

In the 2019–20 fiscal year, pursuant to its mandate and the provisions of the Yukon's *Historic Resources Act*, the YHRB reviewed a nomination for designation of the Watson Lake Air Terminal Building as a Yukon Historic Site and recommended the site for designation. Per the Board's recommendation, the site was designated an Historic Site by the Yukon's Minister of Tourism & Culture.

Individual First Nation Final Agreements also set out specific Heritage and Historic Sites for designation; the Board may be asked to make recommendations on management for these sites. In 2019–20, the YHRB participated in meetings and events related to the development or updating of management plans for Fort Selkirk and Conrad Historic

Sites. The Board also assisted Yukon College with its Heritage and Culture Certificate program training section on Historic and Heritage Sites.

## Yukon Historic Resources Fund

The YHRB, in cooperation with the Government of Yukon, reviews and determines the eligibility of applications to the Yukon Historic Resources Fund (YHRF) program on an annual basis. The Board evaluates eligible applications and recommends projects for funding.

In 2019, \$24,997.15 was made available for these projects through interest generated by the fund and supplemental support from the Government of Yukon's Department of Tourism and Culture. The YHRB

recommended that the Yukon Minister of Tourism and Culture approve three applications to the YHRF program for funding. The following projects were funded, per the Board's recommendations:

- 1. Anglican Parish of St. Mary with St. Mark: Mayo: Celebrating Heritage Where Cultures Meet Funding: \$9,880
- 2. Sheila Joe: Reconnecting to Those Who Walked the Trails Before Us Funding: \$10,000
- 3. Helene Dobrowolsky: The Van Bibber Family Research Project Funding: \$5,117.15

The Board also reviewed and made recommendations related to a proposal from Government of Yukon to distribute portions of the Fund's principal, in addition to earned interest.

# **Board Operations**

During the fiscal year, the YHRB satisfactorily met all the reporting and financial requirements of its Transfer Payment Funding Agreement. The Board continued implementation of its strategic plan, which will guide activities and budgeting into 2021. Throughout the year, the YHRB undertook activities and training in order to meet the goals and objectives outlined in this strategic planning document. The Board updated policies to streamline internal operations, provide guidance for Board members and staff, facilitate communications, and anticipate and address change. The YHRB also began developing and instituting new operational practices in response to the COVID-19 pandemic.

# **Directions for the Future**

In the coming year, the Board looks forward to continued engagement with the Parties to the Final Agreements, participation in the heritage community, and further training related to its mandate and Yukon heritage.

The Board will continue to consider and make recommendations on the following:

- the designation and management of Historic and Heritage Sites, parks, and other special management areas;
- updating and implementation of heritage-related legislation and regulations;

- implementation of the Final Agreements;
- the development and implementation of intergovernmental and cooperative heritage management agreements and projects;
- the objectives, policies, and programs of the Yukon's Cultural Services Branch;
- uses of the Yukon Historic Resources Fund;
- regulations developed pursuant to the Yukon's Historic Resources Act; and
- other issues related to Yukon heritage, as requested by the Parties or on the Board's initiative.

Operationally, the YHRB will continue to adapt policies, procedures, and activities to ensure adherence to mandates, best practices, and Board and staff safety in relation to COVID-19.

The Board is encouraged that Government of Yukon and Yukon First Nations, through the Yukon Forum and the Heritage Working Group, are pursuing cooperative heritage management and stewardship within the framework of the Final Agreements, and looks forward to continued participation with the Heritage Working Group in observer capacity over the coming year.

The YHRB will continue to participate in activities intended to assist the Board in its efforts to stay informed about heritage issues in the Yukon and continue providing informed and relevant recommendations to the Parties. Board members will pursue training related to Yukon land claims history, settlements, and implementation; cross-cultural communication and the incorporation of traditional knowledge in Board recommendations; and the YHRB's mandates, and will continue discussions with the Training Policy Committee around training for UFA implementation bodies.

The Board will invite guests and speakers to meetings to provide necessary training and information about the activities of governments, communities, and heritage organizations. The Board will meet and communicate regularly with governments, organizations, and individuals about a variety of heritage issues and about the YHRB's activities, and will seek clarification around its decision-making responsibilities and mandates under different legislation.

The Board continues to support increased public awareness and recognition of the importance of heritage within Yukon's community as a whole. In keeping with this goal, the Board will strive to raise the profile of heritage by partnering with governments, heritage organizations, and the public on issues important to Yukon people; participating in heritage-related activities of the Parties and communities; conducting outreach activities; and co-sponsoring and participating in the Heritage Fairs program.

## Management responsibility statement

The management of Yukon Heritage Resources Board ("the Board") is responsible for preparing the financial statements, the notes to the financial statements and other financial information contained in this annual report.

Management prepares the financial statements in accordance with Canadian generally accepted accounting principles. The financial statements are considered by management to present fairly the Board's financial position and results of operations.

The Board, in fulfilling its responsibilities, has developed and maintains a system of internal accounting controls designed to provide reasonable assurance that assets are safeguarded from loss or unauthorized use, and that the records are reliable for preparing the financial statements.

The financial statements have been reported on by M. McKay & Associates Ltd., Chartered Professional Accountants, the Board's auditors. Their report outlines the scope of their examination and their opinion on the financial statements.

# **Independent Auditor's Report**

To the Members of Yukon Heritage Resources Board

## **Opinion**

We have audited the financial statements of Yukon Heritage Resources Board, which comprise the statement of financial position as at March 31, 2020, and the statements of operations, changes in net assets and cash flows for the year then ended, and notes to the financial statements, including a summary of significant accounting policies.

In our opinion, the accompanying financial statements present fairly, in all material respects, the financial position of the organization as at March 31, 2020, and its results of operations and its cash flows for the year then ended in accordance with Accounting Standards for Not for Profit Organizations (ASNPO).

## **Basis for opinion**

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are independent of the organization in accordance with the ethical requirements that are relevant to our audit of the financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

## **Emphasis of matter**

Without modifying our opinion, we draw attention to note 5 to the financial statements, concerning the worldwide spread of a novel coronavirus known as COVID 19 and its effect on the global economy. Our opinion is not modified in respect of this matter.

## Responsibilities of management and those charged with governance for the financial statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with ASNPO, and for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the organization's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Board or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the organization's financial reporting process.

## M. McKay & Associates Ltd. Chartered Professional Accountants

## Auditor's responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Board's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit
  evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt
  on the Board's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required
  to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are
  inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our
  auditor's report. However, future events or conditions may cause the Board to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

## Notes to the financial statements

#### 1. Nature of operations

Yukon Heritage Resources Board was established in March 1995 under the terms of the Umbrella Final Agreement and the enabling settlement legislation, to make recommendations to federal and territorial ministers responsible for heritage and to each Yukon First Nation regarding the management of Yukon heritage resources and First Nation heritage resources. The Board is exempt from taxation under Section 149(1)(l) of the *Income Tax Act*.

#### 2. Significant accounting policies

The Board follows Canadian accounting standards for not for profit organizations.

a. Revenue recognition

The Board follows the deferral method of accounting for contributions. Restricted contributions are recognized as revenue in the year in which the related expenses are incurred. Unrestricted contributions are recognized as revenue when received or receivable if the amount to be received can be reasonably estimated and collection is reasonably assured.

Restricted investment income is recognized as revenue in the year in which the related expenses are incurred. Unrestricted investment income is recognized as revenue when earned.

b. Management estimates

The preparation of financial statements in conformity with Canadian accounting standards for not for profit organizations requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosures of contingent liabilities at the date of the financial statements and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

c. Financial instruments

The Board's financial instruments consist of cash, restricted cash, accounts receivable, accounts payable and accrued liabilities. Unless otherwise noted it is management's opinion that the Board is not exposed to significant interest, currency or credit risks.

d. Capital Assets

The Board expenses its capital assets in the unrestricted surplus and subsequently capitalizes the cost to the investment in net assets. During the current year, there were capital asset additions of \$10,351 (2019 — \$449 additions). The Board amortizes its office furniture and equipment on a straightline basis for a period between 5 and 10 years. The Board does not capitalize items with a value of less than \$300.

Disposals are recorded in the year of disposition. No Gain or loss is recorded in the disposal of capital assets.

e. Related parties

Related party transactions are in the normal course of operations and have been measured at the exchange amount which is the amount of consideration established and agreed to by the related parties.

## Notes to the financial statements

#### 3. Restricted cash

The Board has restricted cash to cover the accrued liability for severance pay.

	2020	2019
Severance	\$ 17,515	\$ 15,750

#### 4. Capital assets

			2020	2019
	Cost	Accumulated		
		amortization	Net	Net
Office furniture and equipment	\$ 18,495	\$ 8,806	\$ 9,689	\$ 1,634

#### 5. Contingent liabilities

#### COVID 19

Before year end, there was a global outbreak of a novel coronavirus known as COVID 19, which has had a significant impact on organizations through the restrictions put in place by the Canadian and U.S. governments regarding travel, business operations and isolation/quarantine orders. The extent of the impact the COVID 19 outbreak may have on the Board will depend on future developments that are highly uncertain, and that cannot be predicted with confidence. These uncertainties arise from the inability to predict the ultimate geographic spread of the disease, the duration of the outbreak, including the length of travel restrictions, business closures or disruptions, and quarantine/isolation measures that are, or may, be put in place by Canada, U.S. or other countries to fight the virus. The Board's activities have not been significantly impacted thus far; however, the Board continues to assess the impact COVID 19 will have on its operations.

#### OTHER

Funding not spent for the purposes described in the Transfer Payment Funding Agreement are subject to review and may be refundable to the Yukon Government.

#### 6. Lease commitment

The Board entered a five year lease agreement for a monthly rental of \$1,200 (\$14,400 per year) plus GST. The lease ends December 31, 2020.

### March 31, 2019

#### 7. Financial instruments

Financial instruments include bank deposits, accounts receivable and accounts payable. The board is exposed to interest risk from changing market interest rates on bank deposits. The board is also exposed to credit risk in the event of non performance of accounts receivable, and credit risk from maintaining all of its cash in one bank.

#### a. Credit risk

The Board does have credit risk in accounts receivable of \$985 (2019 — \$3,055). Credit risk is the risk that one party to a transaction will fail to discharge an obligation and cause the other party to incur a financial loss. The Board has little credit risk as their receivables are primarily from large senior levels of government.

#### b. Liquidity risk

The Board does have a liquidity risk in the accounts payable and accrued liabilities of 22,249 (2019 — 14,985). Liquidity risk is the risk that the Board cannot repay its obligations when they become due to its creditors. The Board reduces its exposure to liquidity risk by ensuring that it documents when authorized payments become due. In the opinion of management the liquidity risk exposure to the Board is low and is not material.

#### 8. Comparative figures

The financial statements have been reclassified, where applicable, to conform to the presentation used in the current year. The changes do not affect prior year earnings.

Mayor Wayne Potoroka City of Dawson P.O. Box 308 Dawson City, YT Y0B 1G0 **VIA EMAIL** 

Dear Mayor Potoroka,

# Re: City of Dawson Recreation Centre Project

As you know, the Government of Yukon is committed to support the City of Dawson in its efforts to replace the Art and Margaret Fry Recreational Centre.

Community Services Infrastructure Development Branch is working closely with Dawson officials on the planning for the project and I understand good progress is being made.

To enable the planning to continue, and avoid any future delays on the project, I wanted to clarify the parameters of Yukon government's financial commitment to the project.

Yukon government is prepared to support an application to the Investing in Canada Infrastructure Program for \$25 million (total eligible costs for the project) with \$5 million of that funding provided by Yukon government (pending legislative approval).

If the City of Dawson wishes to advance a project with costs above this amount, the additional costs would be the responsibility of the City of Dawson. Depending on how the project is phased, it may be possible for the City of Dawson to utilize Gas Tax Funding for some portions of the project.

\$25 million is a substantial financial commitment that we believe will enable replacement of the core recreation elements, but I do recognize that keeping within this funding amount will require important decisions in terms of scale, components and possibly location.

Community Services officials will continue their work to support the planning of this project. I am confident that continued collaboration by the Government of Yukon and the City of Dawson will enable successful completion of this important project.

Sincerely,

John Streicker Minister of Community Services

c. The Honourable Premier Sandy Silver

## **Discussion:**

- Rebecca Jansen did not attend HAC meeting 20-18 but commented on the minutes as follows:
  - Resolution 20-18-05: Bank of Commerce is a National Historic Site and Dawson Municipal Site  $\circ$ work should be reviewed against the Standards and Guidelines for Historic Places in Canada. There may also be funding available from Parks Canada or Yukon Government
  - Resolution 20-18-09 being on YHSI register doesn't afford protection per se but instead subjects  $\cap$ structures to a higher level of review.

## **Discussion:**

- HAC had several queries and questions regarding the proposal for a new portable classroom structure •
- There were questions about the checkerboard skirting and whether this was going to be the same as the • current school skirting?
  - The proposed materials for the skirting need to be provided
- Queried how the proposal differs from the current footprint. HAC were unable to determine this and • further, they wanted to understand how it would look from the street so they can assess proportions
- For the galvanized roofing, HAC could not determine if it will be standing seam and whether it was going to • be on the covered walkway as well
- HAC wanted to see rendering / greater detail of the proposed covered walkway and its materials •
- A detailed rendering of the final ramp design is needed. •

Block Q Planning Study

Seconder: Megan Gamble

Presenter: Eve Dewald

Presenter: Eve Dewald

## Discussion: B

- In preparation for discussion with Amanda Haeusler, HAC discussed the study and the campground site
- Discussed historical context, acknowledging that a campground in the middle of town is not true to history; camps would typically be around the fringes
- Such an opportunity for a large open space in downtown, would be a shame to use it JUST for housing; Patrik Pikálek mentioned that Jim Williams in past had mentioned the possibioity of using empty city lots to revive old cabins on private lots
- If left as a campground, what does it say for all the residents who don't want to lose open space in the north end but there is a campground reserved (zoned residential) in an area that is already built up
- A challenge for residential use is that building type and designs would have to be carefully managed (could be up to 20 new infill single-family dwellings). HAC would have a lot of work determining that the block doesn't become a pocket of 'cookie cutter' homes.
- Noted that there is room for both for special projects and for new residential

Eliza Building Update and Proposed Design Solutions

## Discussion:

- Administration presented design that Jim Williams was consulted on to bring the building into compliance
- Patrik Pikálek commented that design was good but would be nice to have double door; administration advised this was discussed but ultimately would be very difficult to structurally carve out a second door while there are residents are living in there
- HAC feel the false balcony will help tremendously
- Question around the skirting and whether it will be painted all around as was proposed in July. Administration to clarify.
- Painted or stained for the cove siding? Original proposal had staining HAC want to query how they propose to do now.

## Agenda Item: Adjournment Resolution: #20-19-11

Presenter: Eve Dewald Seconder: Megan Gamble

That Heritage Advisory Committee meeting HAC 20-19 be adjourned at 7:55 pm on the November 5<sup>th</sup>, 2020.

## Discussion: None.

Mayor Wayne Potoroka potoroka@northwestel.net

Dear Mayor Potoroka,

## **Re: Municipal Safe Re-start Funding**

I am reaching out to you to share positive news regarding municipal support funding during COVID-19. Earlier this year the Minister of Infrastructure and Communities Canada announced that the Safe Re-Start Agreement would include federal funding for municipalities and transit. The announcement noted that "Provincial and territorial governments will continue to support municipalities, and will cost-match federal supports with investments made this fiscal year."

For the Yukon, we have negotiated total funding for Yukon municipalities of \$3.85 M, plus and additional \$0.5 M for public transit. The \$4.35 M total is jointly provided for and cost-matched by the federal and territorial governments. This funding will help support COVID-19 related operating and maintenance costs incurred in the 2020-21 fiscal year to March 31, 2021.

I trust this will be welcome news for municipalities and I am pleased to advise that the Government of Yukon has recently approved a process that will allow me to flow funding to you as quickly and efficiently as possible.

Based on the 2020 Comprehensive Municipal Grant (CMG) formula below, I am able to flow 50% of the funding up front. In the interim, I ask municipalities to collectively consider the allocation of the \$3.85 M. Please confirm the CMG breakdown, or if you prefer a different distribution then please let me know and we will adjust the allocation as you direct. Please note that I thought it might also be appropriate to direct a small portion to assist the Association of Yukon Communities (AYC). Again this would be subject to your approval.

Yukon proposed Safe Re-Start Funding (in 000's)		
Municipal Funding		\$3 <i>,</i> 850
Public Transit (Whitehorse)		\$500
Total		\$4 <i>,</i> 350

Municipal Safe Re-Start Funding (in 000's)			
AYC	2%	\$77	
Remainder for municipalities	98%	\$3,773	
Subtotal		\$3,850	

CMG allocation for Safe Re-Start Funding (in 000's)			
Carmacks	6.87%	\$259	
Dawson	12.18%	\$459	
Faro	8.67%	\$327	
Haines Junction	8.94%	\$338	
Мауо	7.70%	\$290	
Teslin	6.83%	\$258	
Watson Lake	10.68%	\$403	
Whitehorse	38.13%	\$1,439	
Subtotal		\$3,773	

Yukon government wants to ensure that the funding flows as soon as possible, that the ultimate allocation of funds be at the discretion of municipalities, and that we work with you to identify eligible costs and reporting. The first half (50%) of the funding will be released to municipalities on January 15, 2021, including the transit portion to the City of Whitehorse. Could you please advise us of any proposed reallocation of the \$3.85 M municipal funding by February 15, 2021.

If you have any questions regarding the Re-Start program for municipalities, please contact Phil MacDonald, Director of Finance or Carolyn Moore, acting Director of Community Affairs. Phil can be reached at <u>Phillip.MacDonald@gov.yk.ca</u> or (867) 332-4011. Carolyn can be reached at <u>Carolyn.Moore@gov.yk.ca</u> or (867) 336-0496. Our Community Affair reps will work with you on eligible costs and reporting.

Sincerely,

John Streicker Minister of Community Services
