RECOMMENDATIONS

It is respectfully recommended that Council appoint Jean-Pierre (J-P) Tremblay to the Heritage Advisory Committee with terms ending September 30, 2025.

ISSUE / PURPOSE

To appoint a new voting Heritage Advisory Committee member for the purpose of maintaining quorum. Because one of the present members has a conflict of interest with a few of time-sensitive applications, appointing the new member in this meeting will help the City to decide on the applications at the forthcoming HAC meeting on July 4th.

BACKGROUND

The Heritage Advisory Committee serves at the pleasure of Council, as per the terms laid out in the Heritage By-Law #2019-04. Section 4.01 of the By-Law requires that Council appoint by resolution no less than three and no more than 5 members to the Committee.

If the appointment in this request is approved, the Committee will consist of the following members:

1. Megan Gamble - appointed September 21st 2022 to September 30th 2024
2. Sean Warnick - appointed August 3rd 2018 to September 30th 2024
3. Mike Ellis - appointed March 29th 2023 to September 30th 2024
4. Jean-Pierre (J-P) Tremblay - appointed June 28th 2023 to September 30th 2025

ANALYSIS

A self-nomination letter is attached.

Application for Heritage Advisory Committee

Jean-Pierre (J-P) Tremblay

Dawson City, Yukon

Hi!

I'm J-P and I'm in my early forties. I've been living in Dawson for a little over a year now and have decided to call this town home. Being an artisan-carpenter with a good historical background, I would like to contribute by sharing the knowledge and experience I have accumulated through the years and feel this would be the right committee to sit in.

As far as volunteering, I have a relevant background throughout the years being very active in student associations, environmental activism, citizen workshops and others. All these experiences come with hundreds of hours of meetings in which I have learned a lot.

I've been a specialized carpenter most of my life. The last business I ran in Montreal, for a period of six years, was restoring Montreal historical doors and windows. I really took great pleasure in learning about the history of a neighbourhood and its buildings through these projects. I've worked with numerous architects, artisans and contractors and have quoted and done small and big jobs on buildings such as universities and churches. I'm very comfortable with reading plans and visualizing them, and the overall idea of taking on a construction/renovation project.

I feel I would learn a lot sitting on the Historical Advisory Committee and would also be happy to bring as much as I can to the committee.

Best regards,
