Mayor Wayne Potoroka City of Dawson Box 308 Dawson City, YT Y0B 1G0

Dear Mayor Potoroka:

Re: Yukon University Board of Governors nominee

Earlier this spring the Yukon University Act was proclaimed, and we are currently looking for nominations to the Yukon University Board of Governors.

In order to ensure that membership of the Board reflects the cultural, regional and gender diversity of the Yukon, three of its members must reside outside of Whitehorse, each in a different community. I am writing to request recommendations for members to the Yukon University Board of Governors.

The Yukon University Board of Governors has a number of responsibilities related to the administration and management of the university, including:

- setting enrolment levels
- managing the university's budget
- establishing faculties within the university

More information about the appointment process, remuneration and the authority of the Board of Governors is available at: yukon.ca/university-board-governors

If you would like to recommend someone who lives in your community for consideration to be one of these members on the Yukon University Board of Governors, please provide us with their name and a copy of their resume. We will consider your recommendation along with any other recommendations from municipalities outside of Whitehorse to appoint these community members to the board.

Please note that according to section **18**(1), of the Yukon University Act, the following persons are not eligible to be members of the board:

- (a) member of the Parliament of Canada;
- (b) a member of the Legislative Assembly;
- (c) a member of the main governing council of a Yukon First Nation established under the constitution of the Yukon First Nation;
- (d) a member of the council of a Yukon First Nation that is a band recognized under the Indian Act (Canada);
- (e) a member of a council of a municipality.

Please submit your nomination by e-mail to boards.committees@gov.yk.ca or by mail to:
